

HP Engage Express

Sleek, customizable self-service, designed for modern business

Enhance and streamline customer experiences with a purposefully-crafted, highly versatile self-service solution. The HP Engage Express delivers powerful performance to move customers in and out quickly. This sleek footprint is highly customizable to configure the ideal solution for your business.

Purposefully designed, elegantly crafted.

Deliver maximum function in a modern, small footprint design that complements your environment. Essential peripherals seamlessly integrate into the solution and are easily accessible for maintenance, making it an ideal solution for any touchpoint.

Designed to be customized.

Design your ideal solution with near-endless customization. Choose from countertop or full pedestal stands, three screen sizes, and portrait or landscape orientation. Add a printer, payment terminal, barcode scanner and even bagging shelves.

Fast performance. Ultra-smooth interactions.

Deliver fast, easy and consistent experiences with a system powered by up to an Intel® Core i9 CPU and optional Intel® vPro™ for remote management. The vibrant FHD touchscreen delivers responsive touch and full visibility under any light.

Durability and security for everyday reliability.

Built for demanding environments and protected by HP Wolf Security for Business, this self-service solution is designed for durability and security from the inside out. The HP Engage Express resists liquid intrusion and withstands frequent disinfecting.

“ According to IDC’s Consumer Experience Survey, 38% of respondents felt more safe or much safer using a contactless approach. ”

Disclaimers:

1. Peripherals sold separately.
2. Mounting hardware is sold separately. See product Quick Specs for mounting instructions.
3. Printer must be configured at purchase.
4. Bagging shelves only available for pedestal stand.
5. Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel’s numbering, branding and/or naming is not a measurement of higher performance.
6. Intel vPro® requires Windows 10 Pro 64 bit or higher, a vPro supported processor, vPro enabled chipset, vPro enabled wired LAN and/or Wi-Fi 6E WLAN and TPM 2.0. Some functionality requires additional 3rd party software in order to run. Features of vPro® Essentials and Enterprise vary. See <http://intel.com/vpro>
7. HP Wolf Security for Business requires Windows 10 or 11 Pro or higher, includes various HP security features and is available on HP Pro, Elite, RPOS and Workstation products. See product details for included security features.
8. Liquid intrusion IP44 rating only applies to head unit.
9. Tested by up to 10,000 wipes with germicidal towelettes over a 3-year period. See user guide for cleaning instructions. Tested with Sani-Cloth® HB Germicidal Disposable Wipe (EPA Reg. No. 61178-4-9480), Sani-Cloth® Plus Germicidal Disposable Cloth (EPA Reg. No. 9480-6), Sani-Cloth® AF3 Germicidal Disposable Wipes (EPA Reg. No. 9480-9), Super Sani-Cloth® Germicidal Disposable Wipes (EPA Reg. 9480-4), CaviWipes® (EPA Reg. No. 46781-8), Clorox Healthcare® Bleach Germicidal Wipes (EPA Reg. No. 67619-12), Windex® Electronic Wipes and PDI Easy Screen® Cleaning Wipe.
